

SHINE A LIGHT

To mark the start of **FAMILY VIOLENCE PREVENTION MONTH**, the Family Violence Stakeholder's group encourages the community to take part in their Shine a Light Event.

TUESDAY, NOVEMBER 1
BEGINNING AT 6PM

Residents are asked to turn on an outdoor front light, hang a glow stick in a window, or plug in holiday lights for the duration of the night to shed light on the issue of family violence in our community.

Glow sticks will be available for pickup at the Allan & Jean Millar Centre.
